

**THE 7TH INTERNATIONAL CONFERENCE ON ISLAMIC BANKING AND  
FINANCE: RISK MANAGEMENT, REGULATION AND SUPERVISION  
(ICIBF 2016)**

**- CALL FOR PAPERS –**

European Association of Islamic Economics, Banking and Finance (EUIEBF) and The Islamic Research and Training Institute (IRTI), with the support of School of Economics and Business Sarajevo (SEBS) are organizing a two-day event on risk management, regulation and supervision with a particular emphasis on “Financial Stability and Systemic Risk” in the context of Islamic financial system. The conference aims to explore a broad range of topics, including but not limited to:

- Contemporary risks to financial stability arising from Islamic banking model in an integrated financial system;
- The role of Islamic Financial Stability Board (IFSB) in designing framework and promoting regulatory reforms for Islamic banks with the aim to promote financial stability of the global financial system;
- Systemic risks: measurement approaches for Islamic banks and Islamic financial system, Macro/micro-prudential regulatory framework supporting financial stability;
- Incentive based regulatory framework in Islamic financial system;
- Applied stress testing: framework, methodology, and modelling
- Other relevant topics

**SUBMISSION GUIDELINES**

All submissions shall preferably be in MS Word format. Submissions should be original contributions and will go through an evaluation process. Selected papers will be the copyright of the conference organizers. Authors are requested to send the papers to <http://submit.confby.com/conf/icibf2016>

Publication Opportunities:

In consultation with the conference organizers, and the managing and subject editors of Emerging Markets Review, Journal of Multinational Financial Management and Journal of International Financial Markets, Institutions and Money, authors of selected papers will be invited to submit their papers to a regular issue of these journals with a fast-tracked review.
